DIRECTIONS: Some individuals may be sensitive to ingredients in this product. Before use, read product label and Safety Data Sheet. If questions remain, consult your employer or physician.

Dilution: 1 part SuperShield Plus to 7 parts water. Apply with sprayer at a rate of 300 sq. ft. per gallon. Overlap the strokes to ensure good coverage. It is important to rake it into the carpet or brush it into the upholstery.

IMPORTANT: Do not apply using a fine mist. For spray application, use a coarse spray from a low pressure device such as a trigger sprayer or manual pump spray. Protect from freezing.
