

Appendix E

22 CCR § 69501.3(a) requires all documents submitted to DTSC be signed by “responsible individual in charge of preparing or overseeing the preparation of the information, and by the owner, or an officer of the company, or an authorized representative.”

Under the “American Chemistry Council Spray Foam Coalition” consortium each responsible entity has been involved in preparing this report and developed company specific appendices. Therefore, an official representative from each responsible entity will be certifying compliance with § 69501.3(a), serving as both the preparer and company representative, via signature below or during submission of the report via CalSAFER.

"I certify that this document and all attachments were prepared or compiled under my direction or supervision to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person(s) directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that submitting false information or statements is a violation of law."
